

	Document ID	Title
1	US 6028306 A	Scanning microscope
2	US 4844617 A	Confocal measuring microscope with automatic focusing
3	US 20020105722 A1	Interference microscope, and method for operating an interference microscope
4	US 20020104961 A1	Scanning microscope and module for a scanning microscope
5	US 6259104 B1	Superresolution in optical microscopy and microlithography
6	US 5864139 A	Confocal microspectrometer system
7	US 5035476 A	Confocal laser scanning transmission microscope
